## CURRENT ECONOMIC

AND TRANSPORT LOGISTICS NEWS

### The Fréjus tunnel will be completely closed to traffic for works from 26 January

Traffic will be completely closed in the Fréjus tunnel in France from 26 to 29 January in both directions, CETM has learned. Due to maintenance works, traffic will be completely closed from 22:00 on Friday 26 January until 06:00 on Monday 29 January. In addition, counterflows are planned for the nights following the closure until 4 February. During the month of January there will also be counterflows during the night from Tuesday to Sunday.

### Norway joins the European mobility package

From now on Norway will be included in the requirements of the Minimum Wage Act, so IMI registration of companies and drivers will be necessary.

To do so, you can contact our mobility management team and ask all your questions at [customer@direct-tir.com](mailto:customer@direct-tir.com)

### POSTING OF DRIVERS HAS NEVER BEEN EASIER...

With our Posting of Workers services you will be able to move without worries with our services:

- Posting of Workers Certificates
- Macron Law : France
- EU legal formalities and documentation
- Mobility law advice
- Constant updates on current legislation.

Contact an agent for more information.

The minimum wage in France in 2024 has been updated to €11.52/hour !
